The Adventure Of Your Lifetime, awaits around the corner. Find it here, we can also give you other news, hints and traveltip. Contact us by sending inquiries to email info@umealven.com

All The Best

Editorial staff Swedish mountains Swedish mountains - The Swedish mountain regions stretches from Treriksroset in the north to Dalarna in the south. There is plenty of opportunities for families and experienced outdoor people to take on suitable challenge along this mountain range. Time travelling Time travelling - In 2004 a new attraction was unveiled at the homestead estate at Gammplatsen (litterally "the old place") During the summer of 2003 the local Sami (or Lapp) association collaborated with the Forestry museum to build a traditional Sami hut. Cave Expedition Cave Expedition - The backpacker Josef Arnfjell and team member in mountain leader 17 take us on a Cave Expedition in southern Lapland. We started our cave expedition in Kataviken, wich is a very small village along the road E12 in the north of Sweden. Expedition Vindelfjällen Expedition Vindelfjällen, Lapland - Yet another story from the backpacker Josef Arnfjell. The major part of this expedition took place within the reserve of Vindelfjällen, during the spring 05 Från Kittelfjäll till Fatmomakke

Route: Kittelfjäll - Fatmomakke in the Swedish mountains of Lapland - We follow the backpacker Josef Arnfjell. We follow him on this adventures in the Swedish mountains. Adventure Racing World Championship 2006 Adventure Racing World Championship 2006 - In the land of the Sámi people and the Midnight Sun.

The Adventure Racing World Championship 2006 will reach above the Arctic Circle in a course that will challenge all participants. In an area famous for its nature with breathtaking scenery, strikingly beautiful fjords and spectacular glaciers. Lapland Postcard

Lapland Postcard - You are welcome to send your quality e-card from Lapland Postcard. It is easy to use and totally free. You can also give comments and vote for your favorite photographic work. You can also look at Top Ten, Last submitted, Last commented and Top Rated photos. The Nature in Sylarna The Nature in Sylarna, Jämtland - We, the Mountain Leaders, started off by Vålådalens mountain station in Jämtland in the end of June 05.

Little more then a week later we ended the tour in Storulvåns mountain station. Lapland Photo Lapland Photo - The photographer Samuel Arnfjell share some of his photos. Here can you find some pictures from Lapland and the county of Västerbotten and Jämtland in North Sweden and also from Norway. We can offer all the gallery's with many nice pictures for free to non commercial users . You can also find a archive with free wallpaper. Give your friends a tip about this sait, so the photographer can continue to upload pictures for free. Enjoy yourself ! Southern Lapland Southern Lapland and the county of vasterbotten - The location of the county provides a clue about the severe climate. Winters can be harsh with a great deal of snow and sub-zero temperatures. Swedens largest predator, the bear, can be seen in both the forests and mountains. They can be 2 metres tall and weigh 350 kg.
